

mb+p Recognized Among Germany's Best Management Consultants 2026

The management consulting firm **mb+p Unternehmer-Beratung GmbH & Co. KG** has been named among **Germany's Best Management Consultants 2026** in the prestigious ranking published by the German business magazine *brand eins* in cooperation with the statistics portal *Statista*.

The ranking is considered one of the **most important independent benchmarks of the consulting industry in Germany**, highlighting consulting firms that are highly recommended by both clients and industry experts.

Leading Consulting Firm in Operations, Sales and Interim Management

In the 2026 edition of the ranking, **mb+p is recognized as one of the leading management consulting firms in Germany** in the following areas:

- **Operations Consulting** – improving efficiency, processes and operational performance
- **Sales Consulting** – strengthening sales organizations and driving sustainable growth
- **Interim Management** – providing experienced leadership and implementation support during transformation phases

The ranking is based on **extensive surveys among clients and partners within the consulting industry**, making it a particularly credible indicator of reputation and performance in the consulting market.

Recognition for a Strong Implementation Focus

“We are very pleased to be included in this ranking for the first time and to be recognized in several categories right away,” says **Marco Deutsch**. “What makes this recognition especially valuable to us is that it is based on recommendations from the market.”

For **mb+p**, the award also confirms the firm’s consulting approach: not only supporting companies at the **strategic level**, but also ensuring that **transformations are implemented successfully in day-to-day operations**.

“Our special thanks go to our clients and to all colleagues in the industry who recommended us,” Marco Deutsch adds.
